**OTHERS PRESENT:** Beverly Garnes, Regional Advocate

**CALL TO ORDER:** The meeting was called to order by Barbara Kittrell, Vice-Chair, at 6:10p.m. A quorum of the Board was not present. Therefore, Ms. Kittrell noted that "official" business such as approving the last meeting minutes and the presentation of two new Affiliates would not occur. She apologized and stated a special called meeting would occur.

**PUBLIC COMMENT:** Teri Bistarkey/ Community Living, Inc., shared information relating to the meeting at the General Assembly today of the Virginia Association of Community Based Providers. Teri went on to mention that she felt this was a good organization for the group to join as local CSB's also had a formed group with representation at the state level. Teri has a handout from the meeting and stated she would forward it to those who requested it via email. Teri reported the next meeting would be in September.

Teri Bistarkey/ Community Living, Inc., also made the suggestion to post an announcement in the public section of the newspaper requesting Board members. Teri has agreed to pen the announcement and forward it to Will Woodall for his review.

**INTRODUCTIONS:** Beverly Garnes, Regional Advocate, introduced herself to those Affiliates who did not know her. Also, since there were two new Affiliate members present, Ms. Kittrell asked everyone go around the room and make introductions to the group assembled.

**APPROVAL OF DRAFT MINUTES:** The meeting minutes for the April 25, 2013, minutes were not approved as there was not a quorum of the Board.

**INTRODUCTION OF NEW COMMITTEE MEMBER:** No new introductions.

**AFFILIATION REQUEST:** None

**REGIONAL ADVOCATE’S REPORT:** Beverly reported that she almost had 100% Quarterly Reports received by the Affiliate members but was one short. A notice to the Licensing Board will occur for the report not being sent. Beverly is requesting that all members forward their Quarterly Reports to Dee Holland, LHRC, so she can compile them and make copies for all the Board members after submission.

Beverly reported that the “Complaint” process is not being examined in its entirety in “CHRIS.” She reminded those present that Regional Advocates have to complete the forms and close. Information with an asterisk (\*) is not being completely filled out. She is requesting that everything be filled out completely or she can’t close it out. A Human Rights survey should have gone out to everyone regarding the Human Rights Complaint process. Apparently, a lot of people don’t understand the complaint process. Complaints are confused with the abuse process. Hopefully in the near future, changes will be made to make the process easier.

As previously noted, this local LHRC is in need of Board members. See also “Public Comment” relating to another way to obtain Board members.

Beverly formally thanked Barbara Kittrell for her six (6) years of service to the Board. She made a presentation to Ms. Kittrell for her years of service.
